**NOTICE OF INTENT TO FILE *AMICUS* BRIEF**

Pursuant to Fed. R. App. P. 29(a) and D.C. Circuit Rule 29(b), *Amici Curiae* former Chairman of the Federal Communications Commission Ajit V. Pai and former Assistant Secretary of the Treasury for Investment Security, who oversaw the interagency Committee on Foreign Investment in the United States (“CFIUS”) Thomas P. Feddo, represent that they intend to participate in this case as *Amici Curiae*. Petitioners and Respondent have consented to the filing of this *amicus curiae* brief.

*Amici Curiae* are former high-ranking government officials who led federal regulatory entities with responsibility for reviewing foreign corporate ownership structures of companies operating within the United States. Overseeing these programs made *Amici Curiae* acutely aware of the national security risks posed by China’s corporate control of companies operating in the United States, including TikTok and other companies in the communications ecosystem. Based on their significant experience, *Amici Curiae* aim to highlight the legitimate public policy goals furthered by the Protecting Americans from Foreign Adversary Controlled Applications Act, Pub. L. No. 118-50, div. H, 138 Stat. 895, 955–60 (2024) (“Divestiture Act”) under review in this Court. They provide context on similar government programs rooted in the same goal: safeguarding American citizens.

*Amici Curiae* are filing this Notice “as promptly as practicable.” See D.C. Circuit Rule 29(b).

*Amici Curiae* intend to file their brief no later than August 2, 2024 in accordance with D.C. Circuit Rule 29(c) and the Court’s June 18, 2024 Order.

*Amici Curiae* certify that a separate *amicus* brief is necessary. See D.C. Circuit Rule 29(d). The forthcoming Brief of *Amici Curiae* provides the unique perspective of former high-ranking government officials on the significance of and legitimate policy goals behind the law under review.
